Dear Mr. Zuckerman,

On behalf of the members and staff of the European Union of Jewish Students and all the participants of Summer University from across Europe and the world, please accept our sincerest thanks for supporting the twenty-fifth annual EUJS Summer University in Istanbul, Turkey. Your kindness and generosity have partaken in helping us realise an event that will elevate the activities of young Jews in Europe.

This year's Summer University marked an important milestone as EUJS celebrated its 30th anniversary and organized the biggest Jewish event in a Muslim country. At EUJS we will continue to empower Jewish youth in Europe and to revitalize the Jewish future in the continent. You stood tall amongst your colleagues in helping us overcome the challenges in making this year's Summer U become yet another success.

It is always a pleasure working with you, and we are proud to have such a leading and skilled Jewish leader with us. From the very beginning, you have been our guide to transform EUJS into a professional and successful organisation, and in turn, you serve as a role model for all of us who endeavour to become great leaders and outstanding professionals.

Enclosed please find the Summer U brochure, as well as our best wishes for a happy and healthy New Year for you and your family.

Yours gratefully,
